USGA recommendations for the event

Day 1: 2-man shamble 75% of handicap (6 drives per player)

- USGA Rules apply-**Placement:** Players place their ball within one club-length of the selected drive, not nearer the hole, staying in the same condition (e.g., rough or fairway). NO STROKES ON PAR 3'S SHAMBLE ONLY

Day 2: 2-man best ball 90% of handicap

- USGA Rules apply- ruling questions should be addressed by Paul Benga and Eric Weiss, in a case of confusion/doubt play out a second ball and ruling determinations will be made following the round by the golf shop. **These scores will not be posted to GHIN- if you are out of the hole pick up to keep a good pace of play.**

Scoring- We will be using paper scorecards & Squabitt **(scorecard is final)** that are to be turned into (Paul or Eric) immediately following the round where they will be taking scores from cards that have been signed by both the **competitor and marker**.
